### Understanding Supernatural Dreams According to the Bible, A Living Classic

Susan

★★★★★ **An Anointed Book**

March 15, 2017

Format : Paperback | **Verified Purchase**

I bought this book several years ago at the suggestion of a minister. (I have the 1994 edition.) I read the entire book and was in awe of the amazing truths I was learning. I believe the book has a strong "impartment anointing" on it. Reading it jump-started an increase of vivid dreams that I knew were from the Lord.
